***Love-A-Stray's 4th Annual Fur Fun 5K / Dog Walk
and 1st Annual Uncorked for Canines***

Sponsorship Opportunities

Dear Business Owner –

The Avon Lake animal rescue, Love-A-Stray, will be hosting two big events in April and May of this year to raise money to support Love-A-Stray's continued work.

Love-A-Stray's fourth annual Fur Fun 5K and Dog Walk will be held on Sunday, April 26th at the Avon Lake High School. The Fur Fun 5K is a chip-timed race which had 398 participants in 2014, 475 in 2013, and 362 in 2012. We once again expect a big turnout. The dog walk is a chance for owners and pets to socialize in a safe and fun setting. The large pack walk will wind through Kopf Reservation and will be led by several dog trainers. The event will also include music, vendors, and an assortment of raffle baskets.

For the first time, Love-A-Stray will team up with FIDO's Companion to host a wine tasting, craft beer sampling and raffle night on Friday, May 8th at Parker's Grille & Tavern. This event is a chance for an adult fun night out! What could be better than tasting some wine, sampling craft beer, perusing several dozen raffle baskets and silent auction items, and having awesome food, while enjoying live entertainment? Try your luck at the cork pull or doggone dazzling diamond and perhaps you'll go home a big winner!

Both of these events are a chance for Love-A-Stray to raise much needed funds to help the animals. However, to put on these events also costs quite a bit of money, and that's where we need your help. Please consider making a donation to Love-A-Stray so that we can move forward with these events and continue the great work that we do.

Love-A-Stray is a non-profit, all volunteer, no-kill organization dedicated to helping homeless animals. Since Love-A-Stray doesn't have a "physical" shelter and our animals are housed in foster homes, we do not have some of the usual operating expenses that would be required for a shelter. Consequently adoption fees, fundraising efforts, and donations go directly to a great cause - the animals!

Our four fold mission is to:

Lessen pet overpopulation by sterilizing adoptable animals and employing spay/neuter programs.

Offer housing for unwanted, homeless animals and when necessary, provide medical treatment including emergency veterinary care.

Value the life of all rescue animals by providing innovative behavior rehabilitation, when applicable, and placing them from nurturing foster families into loving, compatible, permanent homes.

Educate the public on the importance of being an advocate for animals emphasizing humane treatment and sterilization.
